

Practicum Opportunities

Are you looking to gain more experience before you graduate and would like to be involved in the non-profit sector? Consider doing your practicum with us at Siloam Mission! We have a variety of opportunities that could use your skills in areas such as Social Work, Addictions and Counseling, Culinary Arts, Tour/Hosting, People Management and more. Feel free to fill out the individual application form online and indicate that you are interested in a practicum opportunity. Please include your program, the hours you require and a start date to see if we have an available opportunity for you. Once you have sent in your application you will be contacted and if we have an opportunity for you we will set up an interview. You can also feel free to email volunteer@siloam.ca if you have any questions.

Food Services

Help with meal preparation, serving, and cleanup. Interact in a positive way with patrons as they enjoy their meal.

Drop In Centre

Serve coffee, play board games and cards, clean up after a meal, and chat with patrons. Be a part of the team that fulfills both physical and emotional hunger.

Donation Sorting

Sort through and organize clothing and personal items donated by the community. This is a vital step that allows us to provide people with good quality clothing through our Clothing Room program.

Clothing Room

Assist patrons as they choose clothing and request hygiene products. Fresh clothing is a very real need and you can help provide for that need in a personal way.

Donor Care

Help out with general office duties during weekdays, such as data entry, phone calls, word processing, and mailings. Build relationships with our donors by adding the personal touch.

Client Sidekick

Meet one-on-one with someone that is involved in our transition program on a weekly or bi-weekly basis in order to provide a friendly and listening ear. This role may take place off-site and for that reason the process for getting involved is lengthier than for other roles. Please contact volunteer services if you are interested.

Community Outreach Volunteer

Assist clients with navigating various systems including applying for ID, health cards, and housing as well as making them aware of services that are available at Siloam Mission. Volunteers in this role have the opportunity to come alongside people transitioning into more self-sufficient lifestyles.

Arts Program

A creative and supportive environment is built when you connect with others through various forms of art. Join our patrons in experiencing the healing qualities of artistic expression.

Youth Volunteering

Youth grades 6 and up are welcome to volunteer by sorting donations, no chaperones necessary! There are designated times called Youth Volunteer, where a Volunteer Services staff will work with youth in Donation Sorting. These times are available through the online scheduling system, or feel free to contact Volunteer Services to schedule a shift. All Youth will need a signed waiver and to schedule before attending Youth Volunteer.

Health Centre

The Saul Sair Health Centre offers a variety of health care services to our patrons: nursing and physician primary care, optometry, dental care, massage, chiropractic, physiotherapy, foot care and health education. We need volunteer health care professionals who are passionate about serving the people using Siloam's services.

Sunday Worship Service

Help us out by speaking at our Sunday afternoon church services or leading worship. We are looking for pastors and musicians passionate about ministering to our community. Please contact our Spiritual Care Manager Gerri at ramona.pauls@siload.ca or 204.956.4344 if you are interested.

The Madison

Help build community at The Madison- our supportive housing development located in Wolseley. Volunteers are needed to build relationships with residents through various activities including art, music and fitness, bingo nights, cleaning, meal service assistance and administrative duties.

Events

You have the opportunity to reach out and tell the community about the work that Siloam is doing. Siloam is supported by hundreds of third-party events each year. Volunteers are a critical link between the organization and potential supporters. This is a great opportunity for individuals that like to meet new people and socialize for a cause.

Additional Opportunities

There are many other ways you can get involved. Options may include hair-styling, providing entertainment, assisting with radiothon events, working on maintenance projects, etc. Talk to us about putting your unique skills to use!
