

Statement of Beliefs

- We believe in one God who has expressed Himself in personal ways. We know God's personality as Father, Son and Holy Spirit.
- We believe the Bible communicates God's saving message and is our reliable authority in all matters related to faith and Christian living.
- We believe all humankind struggles with a downward pull.
- We believe that unless we experience God's help and salvation through a faith commitment to Jesus Christ, our future is one of eternal separation from God and all that is good.
- We believe the love and grace of God is extended to every person in the provision Jesus Christ made through His death and resurrection. By turning from our own selfishness and trusting Jesus Christ, we experience a new life, free from the old patterns of self-destructive acts called sin.
- We believe our new life in Jesus Christ is the gateway to transformation which, is an ongoing process of change and growth.
- We believe all who live for Jesus Christ have an eternal future. Our belief in such a future includes both the fulfillment of God's creative purpose as well as the accountability of all persons endowed with the power of choice.

Changing lives changes everything
