

Values

- We are a faith-based and faith-operated organization.
- We believe in the leading, anointing and provision of God, which supersedes the best efforts, talents and knowledge of human beings.
- We treat the less fortunate as objects of God's love, mercy and grace who deserve to be treated with dignity and respect.
- We believe people should perform compassionate acts without ulterior motives; compassion is a legitimate and biblical expression of God's care and love for hungry, homeless and hurting people.
- We believe Christ's death and resurrection are mankind's only eternal hope.
- We believe the love and forgiveness of God is adequate and available for all.
- We believe the relevance of the Bible and that it transcends time and culture.
- We believe the universal Church is Christ's representative in word and deed.
- We believe in networking with compassionate people of all denominations and faiths.
- We believe our volunteers are vital to accomplish our mandates.
- We believe in the equality of all human beings.
- We believe that contributions of other inner-city agencies and ministries, both Christian and non-Christian, will help us alleviate the hardships of homelessness and poverty.
