

# URGENT HOUSING NEEDS

In the last few weeks of February, we housed nearly twenty people! As Siloam continues to house people regularly, we are running out of housing supplies to give community members as they transition into their new homes. Listed below are items we desperately need. Any items, new or used, in working condition, are much appreciated!

## Pots

Frying pans

Sheet pans

Kitchen utensils

- ladle
- flipper
- can opener

Dish soap

Coffee maker

Kettle

## Brooms

Mops

Buckets

Cleaners

- All varieties, but especially multi-purpose

Garbage bags

Laundry baskets

Shower curtains

## Beds

- frames, mattresses and box springs
- Twin, double, and queen sizes

Pillows

Blankets

Note: coffee makers and kettles may not seem urgent, but they help people feel at home in their new space. They're also one of our most requested items when community members transition into their new homes.
